Renee & Javier - can you do 4/17?

On Wed, Mar 27, 2019 at 3:38 PM Jemellee Cruz <JCRUZ@dpw.lacounty.gov <<mailto:JCRUZ@dpw.lacounty.gov>>

Victor, Public Works understands the intentions for these encampment cleanups and the constraints associated with the PEH outreach services.

The main reason for our request to go back to the east bank south of the 405 Freeway across from the McCollum Avenue (and other new sites) was to respond to homeowner's request during the Feb. 19 Monthly Bike Path meeting. I know a few agencies didn't make it to that meeting.

PEH folks displaced during the Feb. 15 Caltrans cleanup behind the 405 Fwy moved to our r/w across from the McCollum Avenue and some other locations. Unfortunately, our crews were on their regular day off when we received the notice and were not able to be present at that time. By Feb. 19, the encampment grew much bigger. Attached is a recent photo of one of the encampments.

Public Works is fine not going back downstream of the 405 Frwy but we need LAHSA and the City of LA to let the homeowners know.

We received confirmation from the Culver City PD (Thank you!) that they will provide support during our cleanups upstream of the 405 frwy and will move forward.

Thank you all.

Re: Ballona Creek Multi Jurisdictional Task Force...

Hi Jemellee and Jasson,

Just wanted to check in to confirm the plan for April 9. My original understanding was that this would only include encampment along Ballona Creek between the 405 and the 10 freeways. That is what our outreach teams have been preparing folks for.

I also just want to clarify our intended outcomes from the clean-ups. There is a severe shortage of shelter beds, affordable housing units and permanent supportive housing units across the City and the County of Los Angeles, so outreach teams really don't have a lot of viable options to offer in terms of alternative locations for people to sleep at this time. Therefore, I don't think our intention with these clean-ups should be to permanently displace folks from the areas where they have been sleeping. Rather, I understood our intention to be about maintaining the health and safety of the community by clearing trash and biohazardous materials that may accumulate when people do not have a place to dispose of their trash or relieve themselves. If we are trying to prevent folks from returning to the Creek, that will displace them into the surrounding neighborhoods and communities, which I do not think should be our intention.

With that said, let me know if we are trying to provide another clean-up for areas west of the 405 freeway on April 9, so that we can adjust our outreach strategy and talking points.

Thanks,

Since we will be reposting downstream of the 405 freeway for the new encampments and PEH whom have returned, we will also be needing LAPD for security purposes as well on these dates.

Thanks.

Subject: Ballona Creek Multi Jurisdictional Task Force Standing Call

Hello everyone! I spoke with Ben Benter, (805) 573-2982, Homeless Encampment Cleanup Supervisor, Caltrans Area 1. He is the main contact for Ballona Creek and is willing to be part of our coordinated cleanup efforts along this channel. Ms. Cynthia Williams is his Area 1 Superintendent.

With new reps from other agencies in this taskforce, I'd like to again share the attached multi-jurisdictional maps along the Ballona Creek. We created these maps per request from our Ballona Creek Bike Path Monthly Meeting with the homeowners. I hope these help clear up some jurisdictional issues.

Cleanup Schedule for Ballona Creek from the 405 freeway to just north of the 10 fwy

- * Waiting for City of Culver PD and our hazmat contractor for their availability.
- * The channel reach is within the cities of Culver City and Los Angeles.
- * Both the LACFCD & the COE have maintenance responsibilities on this channel segment.
- * Proposed Dates: 3/26 1st posting
4/2 2nd posting
4/9 cleanup date

Thank you.
